

Christmas Candles

Leonard
Candlelighter:

These Christmas candles when burning bright,
shine with a message this holy night.

They are symbols of what our lives should be,

When Jesus shines through you and me

My colour is the blue of the sky above

True blue is the colour of God's bountiful love.

Blue is the colour for Heaven and King,

Of peace and love only Jesus can bring.

Jennifer
Blue Candle:

Janice
White Candle:

White is the color of purity and right,

Of forgiveness and love and God's great might.

Jesus, the pure lamb. God, here on earth,

A holy sacrifice from the day of birth.

Michael
Green Candle:

Green is for faith, for hope, for growing,

For life everlasting, for love ever flowing.

The substance of hope, proof of the unseen,

Eternity's promise in this light of green.

Conrad
Red Candle:

Red is the colour of unyielding love,

The gift of the Father from Heaven above.

The gift of the Father, His only Son,

The gift of life that's only begun.

Christina
Yellow Candle:

The brightest yellow, like a crown of gold,

Promised to believers from centuries old.

Jesus our Redeemer, born to this strife,

A shining star, our crown of life.

Tiffany
Purple Candle:

Purple is the colour that royalty wears,
Purple for the King born in a manger there,
Jesus who left heaven and glories behind,
Becoming a true treasure for seekers to find.

Leonard
Candlelighter:

Christmas candles shining bright,
Bringing hope and peace this Christmas night,
Shine forth the love from Jesus who cares,
In the world - He's always there!
