

FIVE LITTLE ANGELS

First Angel:

We are five little angels, and we've come to
share

The story of Jesus, because we care.

Second Angel:

He came to Earth as a tiny child,
Born in a stable, meek and mild.

Third Angel:

The shepherds came to worship the King,
And all of the angels came to sing.

Fourth Angel:

The wise men brought gifts for the little one,
And they knew when they saw Him that He was
God's Son.

Fifth Angel:

He came down to Earth to die for our wrongs,
He loves us and cares for us all day long.
